Car Parking

Bedford Swan Hotel offers complimentary Car Parking on a first come first served basis. Owing to our Town Centre location, our car park can become full at peak times.
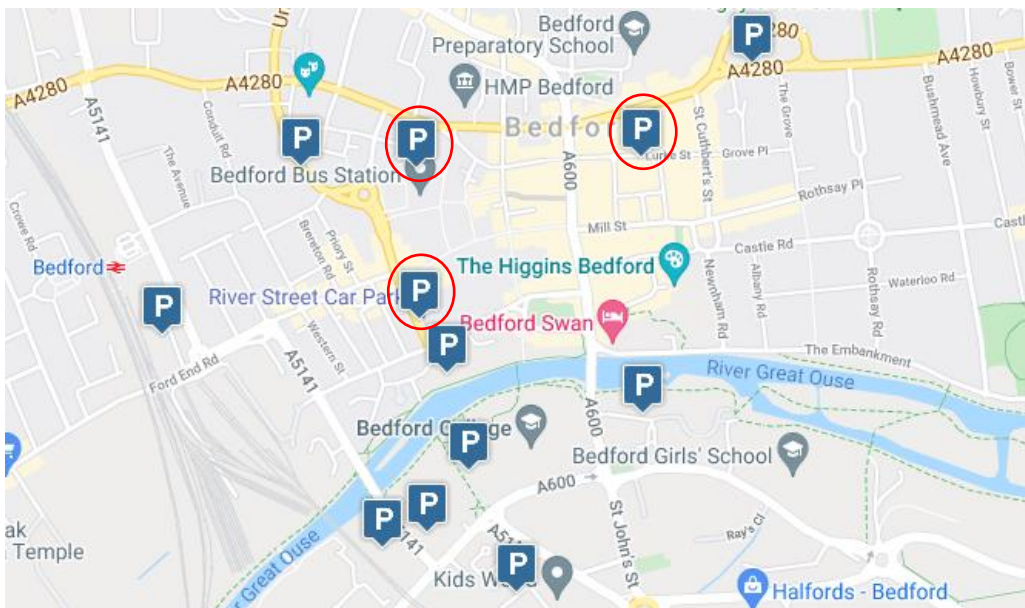

If our Car Park is full, parking can be found at various areas around Bedford Town Centre, which includes street parking and secure car parking managed by the local council.

Important Information

Our car park is managed by Parking Eye. All vehicles parked in our car park must be registered on one of the available tablets within our property.

The grass area adjacent to our car park is owned by Bedford Borough Council. No parking is permitted on this area (including just wheels) and any cars found to be parked that way are subject to a Parking Charge issued by Bedford Borough Council. In the event of any Parking Charge received by Bedford Borough Council, we are unable to get these cancelled.

Bedford Borough Council Car Park Locations

Late Night Parking

Allhallows, Lurke Street and River Street multi-storey car parks are open 24 hours, 7 days a week. Lurke Street and Allhallows car parks offer free parking from 6pm to 6am. All late night parking car parks are highlighted on the above map with a red circle.

Charges

All charges, including overnight car parks are set by Bedford Borough Council and are subject to change anytime. For up to date charges and further information regarding council car parks, please visit
